

CNH's Opposition to Plaintiffs'
Motion to Compel Further Interrogatory Responses

Exhibit 2

CNH's Second Supplemental Response to Plaintiffs' First Interrogatories (July 26, 2013) (Redacted)

UNITED STATES DISTRICT COURT
FOR THE EASTERN DISTRICT OF MICHIGAN
SOUTHERN DIVISION

JACK REESE, FRANCES ELAINE
PIDDE, JAMES CICHANOFSKY,
ROGER MILLER, and GEORGE
NOWLIN,

Plaintiffs,

v.

CNH GLOBAL N.V. and CNH
AMERICA LLC,

Defendants.

Case 2:04-cv-70592-PJD-PJK

Hon. Patrick J. Duggan, U.S.D.J.

Hon. Paul J. Komives, U.S. Mag. J.

**CNH'S SECOND SUPPLEMENTAL
RESPONSE TO PLAINTIFFS' FIRST INTERROGATORIES**

CNH Global N.V. and CNH America LLC—referred to collectively as
“CNH”—hereby respond to Plaintiffs’ First Interrogatories to Defendant. *See* Fed.
R. Civ. P. 33(b); *id.* R. 26(e).^{*}

GENERAL OBJECTIONS

1. CNH objects to the interrogatories to the extent they exceed the limit
that, “[u]nless otherwise stipulated or ordered by the court, a party may serve on
any other party no more than 25 written interrogatories.” Fed. R. Civ. P. 33(a)(1).

^{*} Plaintiffs did not specify the defendant to which they directed their
interrogatories. (See Pls.’ 1st Interrs. Def. 1, 2.) In an abundance of caution, both
CNH Global and CNH America have responded to the interrogatories.

CNH asked Plaintiffs to identify the twenty-five interrogatories that they wanted CNH to answer, and Plaintiffs declined to do so. Having received no preference from Plaintiffs, CNH first answered Interrogatories 2, 10 through 31, 39, and 51. In response to the order of the magistrate judge in this matter (R. 346), CNH has also responded to Interrogatories 5 through 9, 34 through 38, 40 through 47, 49, and 50. Notwithstanding the magistrate judge's order—which was not disturbed upon reconsideration (R. 352)—CNH has also answered Interrogatories 3, 4, and 48. In addition, CNH has answered Interrogatory 1.

2. CNH objects to the interrogatories to the extent that they seek information not “relevant to any party’s claim or defense.” Fed. R. Civ. P. 26(b)(1).

3. CNH objects to the interrogatories to the extent that they are “unreasonably cumulative or duplicative” or seek information that “can be obtained from some other source that is more convenient, less burdensome, or less expensive.” *Id.* R. 26(b)(2)(C)(i).

4. CNH objects to the interrogatories to the extent that they seek information that Plaintiffs “ha[ve] had ample opportunity to obtain.” *Id.* R. 26(b)(2)(C)(ii).

5. CNH objects to the interrogatories to the extent that “the burden or expense of the proposed discovery outweighs its likely benefit, taking into account the needs of the case, the amount in controversy, the parties’ resources, the

importance of the issues at stake in the litigation, and the importance of the proposed discovery in resolving the issues.” *Id.* R. 26(b)(2)(C)(iii).

6. CNH objects to the interrogatories to the extent that they seek information protected by the attorney–client privilege, attorney-work-product doctrine, or any other applicable statutory or common-law privilege or bar on disclosure. *See id.* R. 26(b)(1).

7. CNH objects to Plaintiffs’ definition of “describe” (Pls.’ 1st Interrs. Def. 3), because “the burden or expense” of responding to interrogatories using the term “outweighs [their] likely benefit, considering the needs of the case, the amount in controversy, the parties’ resources, the importance of the issues at stake in the action, and the importance of the [interrogatories] in resolving the issues.” Fed. R. Civ. P. 26(b)(2)(C)(iii). CNH will interpret “describe” to mean to give an account of in writing. *See American Heritage Dictionary* 490 (5th ed. 2011) (first definition).

8. CNH objects to Plaintiffs’ definition of “Company” (Pls.’ 1st Interrs. Def. 5), because “the burden or expense” of responding to interrogatories using the term “outweighs [their] likely benefit, considering the needs of the case, the amount in controversy, the parties’ resources, the importance of the issues at stake in the action, and the importance of the [interrogatories] in resolving the issues.”

Fed. R. Civ. P. 26(b)(2)(C)(iii). CNH will interpret “Company” to mean, as appropriate, CNH Global N.V. or CNH America LLC.

ANSWERS

1. Identify the person(s) answering these Interrogatories.

ANSWER: CNH incorporates by reference its General Objections 1 and 3.

Subject to these objections, CNH states that by rule, these interrogatories have been “answered” by Tom Coogan, CNH Global’s Director of Employee Benefits. *See* Fed. R. Civ. P. 33(b)(1)(B), (b)(5).

2. By Interrogatory, identify all persons consulted or relied upon for information to the answer.

ANSWER: CNH incorporates by reference its General Objection 5. Subject to this objection, CNH states that it consulted with and relied upon Towers Watson & Co.—which provides CNH with benefits-related services in the ordinary course of business—for information used to answer Interrogatories 10 through 31 and 51. CNH states further that the information used to answer Interrogatory 39 was provided by Karen Benson in CNH’s benefits department; the information used to answer Interrogatories 5, 44, 49, and 50 was furnished by Mr. Coogan; and the information used to answer Interrogatories 45 through 47 was provided by Scott Macey, who is the president and chief executive officer of the ERISA Industry Committee, which is located at 1400 L Street, Northwest, in Washington, D.C..

3. Identify each person the Company expects to testify and/or provide information in support of its claims or defenses, and state the subject matter about which the witness has knowledge.

ANSWER: CNH incorporates by reference its General Objections 1, 3, 5, and 8. Subject to these objections, CNH states it currently expects Mr. Coogan to testify or provide information regarding the benefit plan CNH provides currently to Plaintiffs, the benefit plan CNH proposes to provide to Plaintiffs, and the plan CNH currently offers to post-2004 UAW-represented retirees. CNH also currently expects Mr. Macey to testify or provide information regarding the application of the *Reese* factors to CNH's proposed plan for Plaintiffs. CNH may rely on the testimony of one or more plaintiffs, their experts, and the deposition testimony provided by the UAW in this matter. CNH states further that the above is a tentative list of witnesses, which CNH may decide to alter as the case proceeds.

4. Identify each person the Company expects to use as an expert witness in this matter.

ANSWER: CNH incorporates by reference its General Objections 1, 3, 5, and 8. Subject to these objections, CNH states it currently expects to use Mr. Macey as an expert witness in this matter. CNH states further that it may decide between now and its expert disclosure deadline to use additional experts but it has not currently retained any additional experts.

5. State the name, address, date of birth, social security number, telephone number, date of retirement, type of retirement (e.g., disability, early, normal, survivor option) and gross pension benefit for every Class Member.

As to each surviving spouse, state the deceased retiree's name, date of birth and social security number.

ANSWER: CNH incorporates by reference its General Objections 1, 2, 3, and 5. Subject to these objections, CNH states much of the information sought by Plaintiffs—including the portion of class members' pensions paid by CNH—is found in the worksheets located in Exhibit D. CNH states further that class members' "gross pensions" are greater than the portion paid by CNH, because an entity not controlled by CNH pays the portion of the pension that relates to a class member's pre-July 1, 1994 employment with Case Corporation. CNH does not have the amount of class members' gross pensions in an electronically accessible form. Accordingly, to ascertain class members' gross pensions, CNH would have to examine the personnel and benefit files of the plaintiff class, which contain documents (such as pension-calculation worksheets) that include the gross pension at the time of retirement. The documents have already been produced to Plaintiffs, and the burden of ascertaining the information in them is substantially the same for Plaintiffs and CNH. *See* Fed. R. Civ. P. 33(d).

6. Has the monthly pension benefit of any Class Member been increased since that Class Member retired? If yes, state the most recent date that any Class Member received an increase in monthly pension benefits and, if it was pursuant to a collective bargaining agreement, the date of the collective bargaining agreement. As to each Class Member who received such an increase in monthly pension benefits, state the amount of the monthly pension benefit before and after the increase.

ANSWER: CNH incorporates by reference its General Objections 1, 2, 3, and 5. Subject to these objections, CNH states that the answer to this interrogatory may be determined by examining the personnel and benefit files of the members of the plaintiff class and the results of collective bargaining between CNH (or its predecessor, Case Corporation) and the UAW—which have already been produced to Plaintiffs—and the burden of ascertaining that information is substantially the same for Plaintiffs and CNH. *See* Fed. R. Civ. P. 33(d).

7. Has the monthly Special Age 65 Benefit of any Class Member been increased since that Class Member retired? If yes, state the most recent date that any Class Member received an increase in Special Age 65 Benefit and, if it was pursuant to a collective bargaining agreement, the date of the collective bargaining agreement. As to each Class Member who received such an increase in monthly Special Age 65 Benefit, state the amount of the monthly pension benefit before and after the increase.

ANSWER: CNH incorporates by reference its General Objections 1, 2, 3, and 5. Subject to these objections, CNH states that the answer to this interrogatory may be determined by examining the personnel and benefit files of the members of the plaintiff class and the results of collective bargaining between CNH (or its predecessor, Case Corporation) and the UAW—which have already been produced to Plaintiffs—and the burden of ascertaining that information is substantially the same for Plaintiffs and CNH. *See* Fed. R. Civ. P. 33(d).

8. Is the monthly pension benefit of any Class Member scheduled to be increased in the future? If yes, state the date of the increase(s) and the amount of the increase(s), and if it is pursuant to a collective bargaining agreement, the date of the collective bargaining agreement.

ANSWER: CNH incorporates by reference its General Objections 1, 2, 3, and 5. Subject to these objections, CNH states that the answer to this interrogatory may be determined by examining the personnel and benefit files of the members of the plaintiff class and the results of collective bargaining between CNH (or its predecessor, Case Corporation) and the UAW—which have already been produced to Plaintiffs—and the burden of ascertaining that information is substantially the same for Plaintiffs and CNH. *See* Fed. R. Civ. P. 33(d).

9. Is the monthly Special Age 65 benefit of any Class Member scheduled to be increased in the future? If yes, state the date of the increase(s) and the amount of the increase(s), and if it is pursuant to a collective bargaining agreement, the date of the collective bargaining agreement.

ANSWER: CNH incorporates by reference its General Objections 1, 2, 3, and 5. Subject to these objections, CNH states that the answer to this interrogatory may be determined by examining the personnel and benefit files of the members of the plaintiff class and the results of collective bargaining between CNH (or its predecessor, Case Corporation) and the UAW—which have already been produced to Plaintiffs—and the burden of ascertaining that information is substantially the same for Plaintiffs and CNH. *See* Fed. R. Civ. P. 33(d).

10. State the actual cost to the Company for prescription drug benefits for Medicare-eligible 2005 Plan Participants under the 2005 Plan for (a) each participant and (b) all participants for the following plan years: 2008, 2009, 2010, 2011 and 2012.

ANSWER: CNH incorporates by reference its General Objections 2, 4, 5, and 8. Subject to these objections, CNH states that the answer to the interrogatory is found in the worksheet titled, “CNH–UAW Retirees—Post-65 Prescription Drug Costs,” which is located in Exhibit A.

11. State the actual cost to the Company for prescription drug benefits for non-Medicare-eligible 2005 Plan Participants under the 2005 Plan for (a) each participant and (b) all participants for the following Plan Years—2008, 2009, 2010, 2011, 2012.

ANSWER: CNH incorporates by reference its General Objections 2, 4, 5, and 8. Subject to these objections, CNH states that the answer to the interrogatory is found in the worksheet titled, “CNH–UAW Retirees—Pre-65 Prescription Drug Costs,” which is located in Exhibit A.

12. State the actual cost to the Company for medical benefits for Medicare-eligible 2005 Plan Participants under the 2005 Plan for (a) each participant and (b) all participants for the following Plan Years—2008, 2009, 2010, 2011, 2012.

ANSWER: CNH incorporates by reference its General Objections 2, 4, 5, and 8. Subject to these objections, CNH states that the answer to the interrogatory is found in the worksheet titled, “CNH–UAW Retirees—Post-65 Medical Costs,” which is located in Exhibit A.

13. State the actual cost to the Company for medical benefits for non-Medicare-eligible 2005 Plan Participants under the 2005 Plan for (a) each participant and (b) all participants for the following Plan Years—2008, 2009, 2010, 2011, 2012.

ANSWER: CNH incorporates by reference its General Objections 2, 4, 5, and 8. Subject to these objections, CNH states that the answer to the interrogatory is found in the worksheet titled, “CNH–UAW Retirees—Pre-65 Medical Costs,” which is located in Exhibit A.

14. Under the Proposed Plan, state the projected annual cost to the Company for medical benefits each non-Medicare eligible participant for the following plan years: 2013,2014,2015,2016, 2017, 2018, 2019, 2020, 2021, 2022. Describe how these projections were calculated.

ANSWER: CNH incorporates by reference its General Objections 2, 4, 5, 7, and 8. Subject to these objections, CNH states that the answer to the interrogatory is found in Exhibit B and the “retiree medical actuarial valuation assumptions and methodologies” to which the exhibit refers are described in Exhibit C, which is an excerpt from Towers Watson’s actuarial valuation report for the year ending December 31, 2012.

15. Under the Proposed Plan, state the projected annual cost to the Company for medical benefits each Medicare eligible participant for the following plan years: 2013, 2014, 2015, 2016, 2017, 2018, 2019, 2020, 2021, 2022. Describe how these projections were calculated.

ANSWER: CNH incorporates by reference its General Objections 2, 4, 5, 7, and 8. Subject to these objections, CNH states that the answer to the interrogatory is found in Exhibit B and the “retiree medical actuarial valuation assumptions and methodologies” to which the exhibit refers are described in Exhibit C, which is an

excerpt from Towers Watson's actuarial valuation report for the year ending December 31, 2012.

16. Under the Proposed Plan, state the projected annual cost to the Company for prescription drug benefits each non-Medicare eligible participant for the following plan years: 2013, 2014, 2015, 2016, 2017, 2018, 2019, 2020, 2021, 2022. Describe how these projections were calculated.

ANSWER: CNH incorporates by reference its General Objections 2, 4, 5, 7, and 8. Subject to these objections, CNH states that the answer to the interrogatory is found in Exhibit B and the "retiree medical actuarial valuation assumptions and methodologies" to which the exhibit refers are described in Exhibit C, which is an excerpt from Towers Watson's actuarial valuation report for the year ending December 31, 2012.

17. Under the Proposed Plan, state the projected annual cost to the Company for prescription drug benefits each Medicare eligible participant for the following plan years: 2013, 2014, 2015, 2016, 2017, 2018, 2019, 2020, 2021, 2022. Describe how these projections were calculated.

ANSWER: CNH incorporates by reference its General Objections 2, 4, 5, 7, and 8. Subject to these objections, CNH states that the answer to the interrogatory is found in Exhibit B and the "retiree medical actuarial valuation assumptions and methodologies" to which the exhibit refers are described in Exhibit C, which is an excerpt from Towers Watson's actuarial valuation report for the year ending December 31, 2012.

18. Under the Proposed Plan, state the projected annual cost to each non-Medicare eligible participant for premium contributions for the following

**plan years: 2013, 2014, 2015, 2016, 2017, 2018, 2019, 2020, 2021, 2022.
Describe how these projections were calculated.**

ANSWER: CNH incorporates by reference its General Objections 2, 4, 5, 7, and 8. Subject to these objections, CNH states that the answer to the interrogatory is found in Exhibit B and the “retiree medical actuarial valuation assumptions and methodologies” to which the exhibit refers are described in Exhibit C, which is an excerpt from Towers Watson’s actuarial valuation report for the year ending December 31, 2012.

19. Under the Proposed Plan, state the projected annual cost to each Medicare-eligible participant for premium contributions for the following plan years: 2013, 2014, 2015, 2016, 2017, 2018, 2019, 2020, 2021, 2022. Describe how these projections were calculated.

ANSWER: CNH incorporates by reference its General Objections 2, 4, 5, 7, and 8. Subject to these objections, CNH states that the answer to the interrogatory is found in Exhibit B and the “retiree medical actuarial valuation assumptions and methodologies” to which the exhibit refers are described in Exhibit C, which is an excerpt from Towers Watson’s actuarial valuation report for the year ending December 31, 2012.

20. Under the Proposed Plan, state the projected annual cost to each non-Medicare-eligible participant for out of pocket medical expenses (e.g., deductibles, co pays and co insurance) for the following plan years: 2013, 2014, 2015, 2016, 2017, 2018, 2019, 2020, 2021, 2022. Describe how these projections were calculated.

ANSWER: CNH incorporates by reference its General Objections 2, 4, 5, 7, and 8. Subject to these objections, CNH states that the answer to the interrogatory is found in Exhibit B and the “retiree medical actuarial valuation assumptions and methodologies” to which the exhibit refers are described in Exhibit C, which is an excerpt from Towers Watson’s actuarial valuation report for the year ending December 31, 2012.

21. Under the Proposed Plan, state the projected annual cost to each Medicare-eligible participant for out of pocket medical expenses (e.g., deductibles, co pays and co insurance) for the following plan years: 2013, 2014, 2015, 2016, 2017, 2018, 2019, 2020, 2021, 2022. Describe how these projections were calculated.

ANSWER: CNH incorporates by reference its General Objections 2, 4, 5, 7, and 8. Subject to these objections, CNH states that the answer to the interrogatory is found in Exhibit B and the “retiree medical actuarial valuation assumptions and methodologies” to which the exhibit refers are described in Exhibit C, which is an excerpt from Towers Watson’s actuarial valuation report for the year ending December 31, 2012.

22. Under the Proposed Plan, state the projected annual cost to each non-Medicare-eligible participant for out of pocket prescription drug expenses for the following plan years: 2013, 2014, 2015, 2016, 2017, 2018, 2019, 2020, 2021, 2022. Describe how these projections were calculated.

ANSWER: CNH incorporates by reference its General Objections 2, 4, 5, 7, and 8. Subject to these objections, CNH states that the answer to the interrogatory is found in Exhibit B and the “retiree medical actuarial valuation assumptions and

methodologies” to which the exhibit refers are described in Exhibit C, which is an excerpt from Towers Watson’s actuarial valuation report for the year ending December 31, 2012.

23. Under the Proposed Plan, state the projected annual cost to each Medicare-eligible participant for out of pocket prescription drug expenses for the following plan years: 2013, 2014, 2015, 2016, 2017, 2018, 2019, 2020, 2021, 2022. Describe how these projections were calculated.

ANSWER: CNH incorporates by reference its General Objections 2, 4, 5, 7, and 8. Subject to these objections, CNH states that the answer to the interrogatory is found in Exhibit B and the “retiree medical actuarial valuation assumptions and methodologies” to which the exhibit refers are described in Exhibit C, which is an excerpt from Towers Watson’s actuarial valuation report for the year ending December 31, 2012.

24. Under the Current Plan, state the projected annual cost to the Company for medical benefits for each non-Medicare-eligible participant for the following Plan Years: 2013, 2014, 2015, 2016, 2017, 2018, 2019, 2020, 2021, 2022. Describe how these projections were calculated.

ANSWER: CNH incorporates by reference its General Objections 2, 4, 5, 7, and 8. Subject to these objections, CNH states that the answer to the interrogatory is found in Exhibit B and the “retiree medical actuarial valuation assumptions and methodologies” to which the exhibit refers are described in Exhibit C, which is an excerpt from Towers Watson’s actuarial valuation report for the year ending December 31, 2012.

25. Under the Current Plan, state the projected annual cost to the Company for medical benefits for each Medicare-eligible participant for the following Plan Years: 2013, 2014, 2015, 2016, 2017, 2018, 2019, 2020, 2021, 2022. Describe how these projections were calculated.

ANSWER: CNH incorporates by reference its General Objections 2, 4, 5, 7, and 8. Subject to these objections, CNH states that the answer to the interrogatory is found in Exhibit B and the “retiree medical actuarial valuation assumptions and methodologies” to which the exhibit refers are described in Exhibit C, which is an excerpt from Towers Watson’s actuarial valuation report for the year ending December 31, 2012.

26. Under the Current Plan, state the projected annual cost to the Company for prescription drug benefits for each non-Medicare-eligible participant for the following Plan Years: 2013, 2014, 2015, 2016, 2017, 2018, 2019, 2020, 2021, 2022. Describe how these projections were calculated.

ANSWER: CNH incorporates by reference its General Objections 2, 4, 5, 7, and 8. Subject to these objections, CNH states that the answer to the interrogatory is found in Exhibit B and the “retiree medical actuarial valuation assumptions and methodologies” to which the exhibit refers are described in Exhibit C, which is an excerpt from Towers Watson’s actuarial valuation report for the year ending December 31, 2012.

27. Under the Current Plan, state the projected annual cost to the Company for prescription drug benefits for each Medicare-eligible participant for the following Plan Years: 2013, 2014, 2015, 2016, 2017, 2018, 2019, 2020, 2021, 2022. Describe how these projections were calculated.

ANSWER: CNH incorporates by reference its General Objections 2, 4, 5, 7, and 8. Subject to these objections, CNH states that the answer to the interrogatory is found in Exhibit B and the “retiree medical actuarial valuation assumptions and methodologies” to which the exhibit refers are described in Exhibit C, which is an excerpt from Towers Watson’s actuarial valuation report for the year ending December 31, 2012.

28. Under the Current Plan, state the projected annual cost to each non-Medicare-eligible participant for out-of-pocket medical expenses (e.g., deductibles, co-pays and co-insurance) for the following Plan Years: 2013, 2014, 2015, 2016, 2017, 2018, 2019, 2020, 2021, 2022. Describe how these projections were calculated.

ANSWER: CNH incorporates by reference its General Objections 2, 4, 5, 7, and 8. Subject to these objections, CNH states that the answer to the interrogatory is found in Exhibit B and the “retiree medical actuarial valuation assumptions and methodologies” to which the exhibit refers are described in Exhibit C, which is an excerpt from Towers Watson’s actuarial valuation report for the year ending December 31, 2012.

29. Under the Current Plan, state the projected annual cost to each Medicare-eligible participant for out-of-pocket medical expenses (e.g., deductibles, co-pays and co-insurance) for the following Plan Years: 2013, 2014, 2015, 2016, 2017, 2018, 2019, 2020, 2021, 2022. Describe how these projections were calculated.

ANSWER: CNH incorporates by reference its General Objections 2, 4, 5, 7, and 8. Subject to these objections, CNH states that the answer to the interrogatory

is found in Exhibit B and the “retiree medical actuarial valuation assumptions and methodologies” to which the exhibit refers are described in Exhibit C, which is an excerpt from Towers Watson’s actuarial valuation report for the year ending December 31, 2012.

30. Under the Current Plan, state the projected annual cost to each non-Medicare-eligible participant for out-of-pocket prescription drug expenses (e.g., deductibles, co-pays and co-insurance) for the following Plan Years: 2013, 2014, 2015, 2016, 2017, 2018, 2019, 2020, 2021, 2022. Describe how these projections were calculated.

ANSWER: CNH incorporates by reference its General Objections 2, 4, 5, 7, and 8. Subject to these objections, CNH states that the answer to the interrogatory is found in Exhibit B and the “retiree medical actuarial valuation assumptions and methodologies” to which the exhibit refers are described in Exhibit C, which is an excerpt from Towers Watson’s actuarial valuation report for the year ending December 31, 2012.

31. Under the Current Plan, state the projected annual cost to each Medicare-eligible participant for out-of-pocket prescription drug expenses (e.g., deductibles, co-pays and co-insurance) for the following Plan Years: 2013, 2014, 2015, 2016, 2017, 2018, 2019, 2020, 2021, 2022. Describe how these projections were calculated.

ANSWER: CNH incorporates by reference its General Objections 2, 4, 5, 7, and 8. Subject to these objections, CNH states that the answer to the interrogatory is found in Exhibit B and the “retiree medical actuarial valuation assumptions and methodologies” to which the exhibit refers are described in Exhibit C, which is an

excerpt from Towers Watson's actuarial valuation report for the year ending December 31, 2012.

32. Identify each person on whose behalf the Company made contributions to the Retiree Medical Savings Account (RMSA). As to each such person, state the amount of contributions, by type (initial, vacation pay, on Medicare eligibility and training fund) and by year and state the account balance by plan year end and as of the date of the Company's answers to these Interrogatories.

ANSWER: CNH incorporates by reference its General Objections 1, 2, 3, 4, 5, and 8.

33. Will Proposed Plan Participants be entitled to Company contributions to a RMSA? If so, describe the terms of any such proposed RMSA and the Company's payments into the account.

ANSWER: CNH incorporates by reference its General Objections 1, 2, 3, 4, 5, 7, and 8.

34. Does the Company intend to ask the District Court to consider any factors other than those identified on pages 6 and 7 of the Sixth Circuit's September 13, 2012 Opinion? If the answer is yes, identify and describe any other factors the Company will ask the District Court to consider.

ANSWER: CNH incorporates by reference its General Objections 1, 5, 7, and 8. CNH further objects to the interrogatory as incomprehensible, because the Sixth Circuit identified no "factors" in its 2012 opinion. (It articulated questions that the district court should consider during the remand.) Subject to these objections, CNH states that it will not—and indeed cannot—ask the Court to consider factors other than those articulated in *Reese v. CNH America LLC*, 574

F.3d 315, 326 (6th Cir. 2009), and confirmed in *Reese v. CNH America LLC*, 694 F.3d 681, 685 (6th Cir. 2012). CNH states further that it considers exhaustive the questions suggested by Sixth Circuit in its 2012 opinion. CNH, however, reserves the right to address any factors that Plaintiffs raise.

35. Does the Company contend that there is any difference between the quality of care under the Current Plan and the Proposed Plan? If the answer is yes, describe the difference and identify any documents that support the Company's position.

ANSWER: CNH incorporates by reference its General Objections 1, 3, 4, 5, 7, and 8. Subject to these objections, CNH states that there is no difference between the quality of care under Plaintiffs' current plan and the plan CNH proposes for them.

36. Does the Company intend to compare the Proposed Plan with the plans available to retirees and workers at companies similar to the Company? If so, identify all companies that the Company intends to assert are similar to the Company and, as to each, describe how the Proposed Plan compares to plans available to those companies. As to each such company, identify all documents that the Company intends to use to support that position.

ANSWER: CNH incorporates by reference its General Objections 1, 3, 4, 5, 7, and 8. Subject to these objections, CNH states that it intends, through expert testimony, to compare the plan it proposes for Plaintiffs to plans provided to UAW-represented retirees and employees at CNH; plans provided to UAW-represented retirees and employees at companies similar to CNH, such as Caterpillar and Deere; surveys of health-plan data collected by the federal

government or Towers Watson; and anecdotal information about health plan changes reported by the media. Where possible, CNH will compare the terms of the proposed plan with analogous terms of comparison plans as found in the plan documents, which in the case of CNH were produced by CNH and in the case of Caterpillar and Deere were produced by the UAW. Data collected by the federal government is summarized and described in several government-issued and publicly available reports, which will be identified in expert disclosures and many of which have already been produced to Plaintiffs. Data collected by Towers Watson is summarized in a chart created by Towers Watson, which will be produced with CNH's expert disclosures (when it is finalized). The media references to other health benefit changes will all be identified in CNH's expert disclosures and many of them have already been produced to Plaintiffs.

37. Does the Company contend that there are any “changes in health care” that are relevant to the issue before the District Court on remand? If the answer is yes, please describe these changes and identify each witness the Company intends to call at trial to support its contention.

ANSWER: CNH incorporates by reference its General Objections 1, 3, 4, 5, 7, and 8. Subject to these objections, CNH states that there have been changes in health care since Plaintiffs retired (and since their plan lapsed in 2004) that justify changes to their current plan. At a minimum, these changes include the introduction of new prescription drugs, new medical procedures, new economics of care, advances in medical technology, the establishment of the Medicare Part D

program, and the passage of the Affordable Care Act, but CNH has not yet determined if it will bring other changes to the Court's attention. Although CNH will not be pointing to specific drugs or medical procedures, it intends to point out that a substantial percentage of the costs of Plaintiffs' current plan are associated with the usage of drugs or procedures that were not available in 1998. CNH anticipates using expert testimony at trial regarding changes in health care.

38. Other than the Proposed Plan, did the Company explore any other potential changes to the Current Plan that would generate savings to the Company with a lesser financial impact on Class Members such as an Employer Group Waiver Plan or mandatory mail order prescription drug or mandatory generic prescription drug? If the answer is yes, please describe each proposed change and why the Company rejected it.

ANSWER: CNH incorporates by reference its General Objections 1, 2, 4, 5, 6, 7, and 8.

39. Has medical or prescription drug coverage been terminated for any 2005 Plan Participant under the 2005 Plan since that plan was established? If the answer is yes, identify each such person and, as to each, state the date of the last premium payment, the date of the termination and describe and produce any correspondence relating to the termination.

ANSWER: CNH incorporates by reference its General Objections 2, 4, 5, and 7. CNH further objects that this interrogatory asks for personal information of individuals who are neither Plaintiffs nor members of the class they represent. Finally, CNH objects to Plaintiffs' improper attempt to use an interrogatory to request production of documents. Subject to these objections, CNH states that

benefits for two UAW-represented participants in the 2005 UAW plan have been terminated for failure to pay the required premium payments.

Participant *A* suffered a long-term disability in September 2000 and became eligible for Medicare in March 2002. As of April 1, 2005, Participant *A* was required to make monthly premium payments. As of August 2005, however, no premium payments had been made, and CNH America sent Participant *A* correspondence warning of benefit termination. Participant *A* responded to the letter by asking to pay two months at a time until caught up, an offer CNH America accepted. As of November 2005, however, Participant *A* still had made no premium payments. Accordingly, CNH America terminated Participant *A*'s benefits effective April 1, 2005. Participant *A* retired in 2010 and receives only dental and vision coverages from CNH America.

Participant *B* suffered a long-term disability in June 2002 and became eligible for Medicare in December 2005. In May 2006, CNH America informed Participant *B* that no payments had been made for 2006 and warned of benefit termination. Two months later, in July 2006, the situation had not been resolved, and CNH America terminated Participant *B*'s benefits effective January 1, 2006. Participant *B* retired later in 2006 and receives only dental and vision coverages from CNH America.

40. Under the Proposed Plan, does the Company propose to integrate any benefits it provides to the Class with benefits provided by any federal or

state health security act providing for prescription drug benefits. If the answer is yes, a) identify the federal or state law; b) describe the benefits to be provided; and c) describe all efforts the Company has made to obtain and maintain any governmental approval that are required to permit the integration of those benefits.

ANSWER: CNH incorporates by reference its General Objections 1, 2, 4, 5, 7, and 8. Subject to these objections, CNH states that the plan proposed for Plaintiffs does not integrate its prescription-drug benefits with those provided by federal or state law. By way of further response, CNH notes that although the proposed plan doesn't "integrate" Medicare Part D, Medicare-eligible participants will have an incentive to choose Medicare Part D after CNH's proposed plan is implemented.

41. Identify the first pleading filed by the Company in this litigation in which the Company has asserted that the "National and State Health Insurance Initiatives" Letter of Understanding in the 1998 Group Benefit Plan is mentioned.

ANSWER: CNH incorporates by reference its General Objections 1, 2, 3, 4, 5, and 8. Subject to these objections, CNH states that the answer to this interrogatory may be determined by examining the Court's docket, and the burden of ascertaining that information is substantially the same for Plaintiffs and CNH. *See* Fed. R. Civ. P. 33(d).

42. Identify the first pleading filed by the Company in this litigation in which the Company has raised the "National and State Health Insurance Initiatives" Letter of Understanding in the 1998 Group Benefit Plan as a defense to Plaintiffs' claims that the Company is obligated to provide them with health care benefits.

ANSWER: CNH incorporates by reference its General Objections 1, 2, 3, 4, 5, and 8. Subject to these objections, CNH states that the answer to this interrogatory may be determined by examining the Court's docket, and the burden of ascertaining that information is substantially the same for Plaintiffs and CNH. *See* Fed. R. Civ. P. 33(d).

43. Identify all documents that relate to the Company's consideration of the "National and State Health Insurance Initiatives" Letter of Understanding in the 1998 Group Benefit Plan as a defense to Plaintiffs' claims that the Company is obligated to provide them with health care benefits.

ANSWER: CNH incorporates by reference its General Objections 1, 2, 3, 4, 5, and 8. CNH further objects because such documents—even if non-privileged—could not be introduced because of the parol evidence rule.

44. Describe each method by which the Company manages the costs under the 2005 Plan to minimize the year-to-year increases as described in paragraph 9 of the Declaration of Sharif Amin dated June 30, 2010. As to each such method, identify the page and/or section number of the 2005 Plan where it appears.

ANSWER: CNH incorporates by reference its General Objections 1, 3, 4, 5, 7, and 8. Subject to these objections, CNH states that it manages the costs under the 2005 Group Benefit Plan in two basic ways. *First*, CNH encourages appropriate consumer behavior by employing an annual deductible (pp. B4, B15); annual out-of-pocket maximums (pp. B4, B15); co-insurance requirements (p. B4); and prescription-drug plan design (pp. B26–B29). *Second*, CNH deploys medical-

management techniques such as hospital precertification (pp. B16, B17) and review for “necessary” services (p. B33).

45. Identify each “former colleague at Aon Consulting” referred to in paragraph 27 of Mr. Macey’s Declaration of June 30, 2010 and describe each such persons’ participation in the review and evaluation referred to in Scott Macey’s Declaration.

ANSWER: CNH incorporates by reference its General Objections 1, 3, 4, 5, and 7. CNH states that a team of former Aon colleagues (Mr. Macey does not recall the team members’ identities) provided Mr. Macey with limited assistance in connection with his June 2010 declaration. Mr. Macey’s former Aon colleagues assembled plan-design information for various health plans administered by Aon clients and provided that information to Mr. Macey in a manner that protected the Aon clients’ anonymity. Mr. Macey’s former Aon colleagues determined the relative allocation of plan costs between participants and employers in the plans, and Mr. Macey compared those values to Plaintiffs’ existing plan and the 2005 Group Benefit Plan. Finally, Les Richmond reviewed a draft of Mr. Macey’s declaration prior to its submission to the Court. Mr. Richmond is a vice president and actuary at Build America Mutual, the headquarters of which is located at 1 World Financial Center, 27th Floor, 200 Liberty Street, in New York, New York.

CNH states further that the material in paragraph 27 of Mr. Macey’s 2010 declaration will not be part of his forthcoming expert disclosure.

46. Identify each retiree health care plan that was reviewed or evaluated as discussed in paragraphs 27, 28, 29 and 30 of Mr. Macey's June 30, 2010 Declaration and, by plan, identify and produce each document related to the review or evaluation.

ANSWER: CNH incorporates by reference its General Objections 1, 3, and 4. CNH further objects to Plaintiffs' improper attempt to use an interrogatory to request production of documents. Subject to these objections, CNH states that Mr. Macey was provided the plan information described in paragraphs 27 through 29 in a manner that did not identify the companies that sponsored the plans. Looking for plans sponsored by companies similar to CNH, Mr. Macey specified that the plans should be sponsored by large employers and ideally have union participants. He obviously reviewed the 1998 and 2005 Group Benefit Plans between CNH America and the UAW as part of his analysis. Finally, the analysis reflected in paragraph 30 derived from a review of documents related to the companies identified (all of which have already been produced to Plaintiffs): (1) Agreements between USS and the USWA, April 29, 2003; (2) Communication from The Goodyear Tire & Rubber Company to Retiree or Surviving Spouse, April 2005; and (3) Goodyear Retiree VEBA (Aug. 2009).

CNH states further that the material in paragraphs 27 through 29 of Mr. Macey's 2010 declaration will not be part of his forthcoming expert disclosure.

47. Describe the methodology used in determining the "relative value" of the plans reviewed by Aon Consultants and identify and produce all documents reviewed in making those determinations.

ANSWER: CNH incorporates by reference its General Objections 1, 3, 4, 5, and 7. CNH further objects to Plaintiffs' improper attempt to use an interrogatory to request production of documents. Subject to these objections, CNH states that Mr. Macey's former Aon colleagues determined the relative values of several health plans using methodology standard in the industry. Using the plans' design elements (premiums, deductibles, co-insurance, etc.) and assumptions regarding the plans' costs and usage, they determined the amount of a plan's costs that would be covered—on average—by the plan sponsor and by the participants.

CNH states further that the relative-value calculations in Mr. Macey's 2010 declaration will not be part of his forthcoming expert disclosure.

48. Identify all documents the Company intends to use, either in summary judgment proceedings or at trial, to support its position that the benefits in the Proposed Plan are reasonable.

ANSWER: CNH incorporates by reference its General Objections 1, 3, 4, 5, and 8. Subject to these objections, CNH states it currently expects to use in this matter documentation of its proposed plan for Plaintiffs, documentation of the plan Plaintiffs have currently, the documentation of UAW-negotiated plans for Caterpillar and Deere, and the documents that will be catalogued in CNH's expert disclosures. CNH states further that this is a tentative list of documents it intends to use, and a final list will be provided in any mandatory pretrial disclosures.

49. Describe each method by which the Company manages the costs under the Current Plan to minimize year-to-year increases in health care costs.

ANSWER: CNH incorporates by reference its General Objections 1, 3, 4, 5, 7, and 8. Subject to these objections, CNH states that it manages costs under Plaintiffs' current plan in several ways, each of which is also available under the plan proposed for Plaintiffs. CNH uses "medical management" and "large case management" programs to manage over- and under-utilization of resources through a series of processes such as discharge planning and evaluation of new technology. The current plan also uses utilization management and precertification. Further, the prescription-drug benefits are controlled through a "clinical management program.

The above programs are *mandatory*, but there are a number of voluntary programs as well. There is a "ConditionCare" program for certain conditions, such as asthma, diabetes, heart disease, COPD, lower back pain, and cancer. Finally, there is a proactive form of large-case management that is voluntary for participants.

50. Describe any subsidies, tax incentives, tax advantages or other benefits, including the Retiree Drug Subsidy and the Early Retiree Reinsurance Program Subsidy, the Company has received for providing benefits under the Current Plan or is eligible to receive if it continues to provide benefits under the Current Plan. State whether the Company would receive any similar subsidies or incentives for providing benefits under the Proposed Plan.

ANSWER: CNH incorporates by reference its General Objections 1, 2, 3, 4, 5, 7, and 8. Subject to these objections, CNH states that it has received no subsidies, tax incentives, tax advantages, or other benefits under the Retiree Drug Subsidy Program under Plaintiffs' current plan. CNH did receive a subsidy for eligible participants in both Plaintiffs' current plan and the 2005 Group Benefit Plan under the early Retiree Reinsurance Program for eligible claims for the 2010 calendar year. The program has ended and CNH will receive no further subsidies.

51. At what rate are the participants' out-of-pocket costs likely to grow under the Current Plan as compared to the out-of-pocket costs under the Proposed Plan?

ANSWER: CNH incorporates by reference its General Objection 4. Subject to this objection, CNH states that the answer to the interrogatory can be calculated from the data in Exhibit B.

VERIFICATION

I, Tom Coogan, hereby state that:

I am the Director of Employee Benefits at CNH Global N.V., and I have read **CNH's Second Supplemental Response to Plaintiffs' First Interrogatories**. The answers to the interrogatories are true and correct to the best of my knowledge and belief.

I declare under penalty of perjury that the foregoing is true and correct.

Dated: July 26, 2013

Tom Coogan

Methodology (Proposed and Current Plan Expected Payments)

- Develop projected gross pre-65 and post-65 claims and Medicare Part D subsidies (for the current plan only) using December 31, 2012 retiree medical actuarial valuation assumptions and methodologies.
- Develop excise taxes expected to be paid in 2013 - 2032 under Proposed Plan (For the Current Plan, assume for excise tax purposes pre-65 and post-65 benefits can be aggregated and treated as one plan; under this assumption there will not be excise tax payments before 2022).
- Develop employee contributions under the proposed plan assuming that contributions are \$0 in 2013 and increase by 60% of the increase in claims each year following.
- Develop percentages to apply to gross claims to estimate the portion of claims that are prescription drug claims versus medical claims.
Proposed Plan Pre-65 MedicalRx split is 72.2%/27.8%, Proposed Plan Post-65 MedicalRx split is 100.0%/0.0%, Current Plan Pre-65 MedicalRx split is 69.1%/30.1%, Current Plan Post-65 MedicalRx split is 26.8%/73.2%.
- Develop percentages of costs that the medical and prescription drug plans covers. The costs that the plans do not cover are the assumed out of pocket expenses for participants.
Proposed Plan Pre-65 OOP costs included in MedicalRx are 92.6%/7.4%, Proposed Plan Post-65 OOP costs included in MedicalRx are 83.8%.
Current Plan Pre-65 OOP costs included in MedicalRx are 99.0%/0.4%, Current Plan Post-65 OOP costs included in MedicalRx are 96.0%/0.5%.
- Apply the percentages developed in items 4 and 5 to the claims and excise taxes developed in items 1 and 2 as appropriate.

Methodology (Proposed and Current Plan Expected Payments)

- 1) Develop projected gross pre-65 and post-65 claims and Medicare Part D subsidies (for the current plan only) using December 31, 2012 retiree medical actuarial valuation assumptions and methodologies.
- 2) Develop excise taxes expected to be paid in 2013 - 2032 under Proposed Plan (For the Current Plan, assume for excise tax purposes pre-65 and post-65 benefits can be aggregated and treated as one plan; under this assumption there will not be excise tax payments before 2032).
- 3) Develop employee contributions under the proposed plan assuming that contributions are \$0 in 2013 and increase by 60% of the increase in claims each year following.
- 4) Develop percentages to apply to gross claims to estimate the portion of claims that are prescription drug claims versus medical claims.
Proposed Plan Pre-65 Medical/Rx split is 72.2%/27.8%. Proposed Plan Post-65 Medical/Rx split is 100.0%/0.0%. Current Plan Pre-65 Medical/Rx split is 69.1%/30.1%. Current Plan Post-65 Medical/Rx split is 26.8%/73.2%.
- 5) Develop percentages of costs that the medical and prescription drug plans covers. The costs that the plans to do not cover are the assumed out of pocket expenses for participants.
Proposed Plan Pre-65 OOP costs included in Medical/Rx are 93.6%/78.2%. Proposed Plan Post-65 OOP costs included in Medical is 93.1%.
Current Plan Pre-65 OOP costs included in Medical/Rx are 99.0%/97.4%. Current Plan Post-65 OOP costs included in Medical/Rx are 96.0%/97.5%.
- 6) Apply the percentages developed in Items 4 and 5 to the claims and excise taxes developed in Items 1 and 2 as appropriate.

Statement of Actuarial Assumptions and Methods

Plan Sponsor

CNH Global

Except as noted, the assumptions listed below were used to calculate 2013 benefit cost.

Interest Rates

Discount rate

● 2012 benefit cost	4.60%
● 12/31/2012 disclosure	3.80%
● 2013 benefit cost	3.80%

Expected long term return on assets

● 2012 benefit cost	7.25%
● 2013 benefit cost	7.00%

Health Care Cost Trend Rates

Current Trend Rate	7.0%
Ultimate Trend Rate	5.0%
Year of Ultimate Trend Rate	2017
Dental Trend	5.0%
Vision Trend	3.0%

Administrative Expenses

Administrative expenses are included in the per capita claims costs.

Mortality

Healthy: 2013 IRS Optional Combined Mortality Table for males and females.

Disabled: Sample rates are shown below:

Attained Age	Salaried		Hourly

Health Care Plan Costs

Average annual claim costs are based on actual retiree claim experience for the period of 2010 through 2012, adjusted to reflect current plan designs.

Medicare Part D Subsidy

Union (pre 12/2004 only)	\$742
FANA (GF only)	\$742

Anticipated Plan Participation/Utilization

Future retirees will elect to participate in the medical, dental and vision (if applicable) plans based on the following:

Group	Employees
Salaried	70%
Non-Union Hourly	95%
Union	100%
On LTD	100%

Anticipated Plan Participation/Utilization (cont.)

RMSA participants will elect to participate and utilize the medical plans based on the following:

Attained Age	Salaried	Hourly
45-49	10%	5%
50-54	20%	10%
55-59	30%	10%
60+	30%	5%

Marriage

For current retirees, actual data. For future retirees who elected coverage, 75% of males and 40% of females were assumed to cover a dependent spouse at the time of retirement, with husbands three years older than their wives.

Inclusion Date

The valuation date coincident with or next following the date on which the employee turns age 45.

Participant Data

Data for active and inactive participants was supplied by the employer as of the census date.

Employees

It was assumed that there will be no new or rehired employees.

Cost Method

Projected Unit Credit Actuarial Cost Method. The annual service cost is equal to the present value of the portion of the projected benefit attributable to service during the upcoming year, and the accumulated postretirement benefit obligation (APBO/DBO) is equal to the present value of the portion of the projected benefit attributable to service before the valuation date. Costs are allocated based on service from age 45 through the expected full eligibility date.

Asset Method

Market value.

Census Date

September 1, 2012.

Measurement Date

December 31, 2012.

Amortization of Net Gain or Loss

Gains or losses result from experience different from that assumed and from changes in assumptions.

Under U.S. GAAP, the amortization of net gain or loss is included as a component of benefit cost or (income) for a year, and is the excess, if any, of the net gain or loss over 10% of the greater of the benefit obligation and the value of plan assets determined as of the beginning of the year, divided by the average remaining service period of participating employees expected to receive benefits under the plan.

Under IAS 19, the amortization methodology for fiscal 2012 is as under U.S. GAAP, except that the minimum amortization is the excess, if any, of the net gain or loss over 10% of the greater of the benefit obligation and the value of plan assets disclosed at the prior year-end, divided by the average remaining service period of participating employees.

Under IAS 19, beginning with fiscal 2013, remeasurement effects arising from unexpected changes in the net defined benefit liability/(asset) are recognized in Other Comprehensive Income (OCI).

Amortization of Net Prior Service Cost/(Credit)

Amortization of prior service costs resulting from a plan change are included as a component of net periodic benefit cost in the year first recognized and every year thereafter until such time as they are fully amortized.

Under U.S. GAAP, annual amortization payment is determined in the first year as the change in accumulated postretirement benefit obligation due to the plan change divided by the average remaining service period to full eligibility age of participating employees expected to receive benefits under the plan.

Under IAS 19 for fiscal 2012, the portion of the increase in the accumulated postretirement benefit obligation for fully eligible participants is recognized immediately and the remainder is amortized as under U.S. GAAP.

Note that if a plan change decreases the benefit obligation, existing prior service costs and then, transition obligations, are reduced or eliminated before a prior service credit base is posted.

Under IAS 19, beginning with fiscal 2013, past service costs or credits are recognized immediately in benefit cost.

Benefits Not Included in Valuation

Calculations for executive retiree medical benefits are included in a separate report.

Nature of Actuarial Calculations

The results documented in this report are estimates based on data that may be imperfect and on assumptions about future events. Certain plan provisions may be approximated or deemed immaterial and therefore are not valued. Assumptions may be made about participant data or other factors. Reasonable efforts were made in this valuation to ensure that items that are significant in the context of the actuarial liabilities or costs are treated appropriately, and not excluded or included inappropriately. We believe that the use of approximations in our calculations, if any, has not resulted in a significant difference relative to the results we would have obtained by using more detailed calculations.

A range of results, different from those presented in this report could be considered reasonable. The numbers are not rounded, but this is for convenience only and should not imply precision, which is not inherent in actuarial calculations.

Future actuarial measurements may differ significantly from the current measurements presented in this report due to such factors as:

- Plan experience differing from that anticipated by the economic or demographic assumptions
- Changes in economic or demographic assumptions
- Increases or decreases expected as part of the natural operation of the methodology used for these measurements (such as the end of an amortization period or additional cost based on the funded status)
- Changes in plan provisions or applicable law
- Significant events since last actuarial valuation

Changes in Assumptions and Methods Since Last Actuarial Valuation

The following assumptions were changed effective December 31, 2012:

- The discount rate was changed from 4.60% at December 31, 2011 to 3.80% at December 31, 2012.
- The mortality table was changed from the 2012 IRS Optional Combined Mortality Table for males and females to the 2013 IRS Optional Combined Mortality Table for males and females.
- The expected return on assets was decreased from 7.25% to 2012 to 7.00% for 2013.
- Expected 2013 per capita health care costs were updated for recent experience.
- An experience study was performed in 2012. As a result new assumptions were developed for the retirement age, withdrawal, marriage, and participation assumptions.
